

# On Milam's Farms And Ranches

News About Milam Farmers, Their Interests, And Activities

## County Agent's Notes —

### Soil Fertilizer Meeting Set

A soil fertility meeting for fertilizer dealers, agency personnel, county agents and farmers will be held September 18, at the TP&L Building, 3600 Franklin Ave., Waco. The meeting will start at 10:00 a. m. and end at 3:00 p. m. Authorities will discuss how to determine fertilizer needs, adjusting rates to yield potential, fertilizer response in blacklands, time and application and economic use of fertilizer. Those interested are invited to attend.

Announcement and entry rules for the 1963 Carcass Contest of self-fed hogs and litter testing program at Texas A & M, have been received in the county extension office. All Texas swine producers including 4-H Club and FFA boys, are encouraged to enter.

Only 160 hogs can be fed. Entries will be accepted on a first received basis. Two litter mates will constitute an entry. Each person will be allowed to enter 4 pigs (two entries) with a maximum of six pigs (three entries) from any organization or family.

Entries must have been farrow-

ed August 1 to September 30, 1962. Pigs are to be delivered to A&M College October 13 to December 16, 1962.

Each pig must weigh 40 - 70 lbs. Further information on this program is available at the county agent's office.

#### Heart of Texas Dairy Notes

New officers and a director were elected at a recent meeting of the Dairy Herd Improvement Association made up of dairymen from Bell, Burleson and Milam Counties. Bobby Davis was elected president, Billie Ellis, first vice - president, Bob Gray, second vice - president, and Hubert McClaren, secretary-treasurer.

Bob Gray, Bell county dairyman, was elected director to replace Mr. Baird. Marcus Lindeman, also of Bell county, is a director. Milam county directors are Billie Ellis and Hubert McClaren.

Charles Elmore of Cameron is Supervisor of the testing program. The number enrolled in the program according to recent reports stands at 949 cows.

### FHA Cotton Farmers Urged To Gather Crop

Henry N. Ivey, Milam - Burleson County Supervisor for the Farmers Home Administration, urges FHA cotton farmers to complete the harvest as soon as possible and to destroy cotton stalks and to plow under crop debris immediately thereafter.

Droughty conditions in central Texas has caused cotton to open early, providing farmers with an excellent opportunity to finish the harvest and to destroy stalks several weeks earlier than normal. This will be their first weapon in reducing the numbers of such pests as the boll weevil and pink bollworm which will infest the 1963 crop. Early stalk destruction destroys the food supply and stops the continuous breeding of pink bollworms and boll weevils and will thereby reduce the number that will overwinter to infest next year's crop.

The boll weevil infestation is heavy and fruiting plants, unless destroyed, will produce large numbers of weevils to enter hibernation quarters before frost occurs. Since no additional fruit can be set, stalks should be destroyed immediately after harvest to reduce the number of boll weevils entering hibernation quarters. The pink bollworm infestation is generally light and early stalk destruction and plowing under of debris can go a long way toward keeping this infestation at a low level.

Early stalk destruction is the best and most economical means of reducing damage from the boll weevil and pink bollworm during the next crop season. Results of hibernation studies for the past several years at the Waco Laboratory of the USDA Cotton Insects Research have shown that pink bollworm survival is reduced considerably whenever the crop debris is plowed under early in the fall.

Although the mandatory stalk destruction deadlines are November 30 and December 15 in the central Texas counties, farmers are urged to destroy stalks and to plow under debris as early as possible and are urged not to wait to do so until the deadline approaches. As has been pointed out, the earlier this is done the greater the benefits.

"Results from these practices, insect control now as compared to accomplishing them in December," says Ivey, "may mean the difference between a profit or a loss in producing next year's crop".

Ivey points out that while many farmers have already destroyed their stalks and plowed under crop debris, the operation is much more effective if everyone will do the same.

### \$576,230 Loaned Milam Farmers Ending June 30

The Farmers Home Administration of the U. S. Department of Agriculture loaned farm families and other rural people in Milam and Burleson counties a record total of \$576,230.00 in fiscal 1962, which ended on June 30, Henry N. Ivey, local county supervisor announced today.

The volume of loans in this area, largest during any 12 - month period in the local office's history, was 162 percent larger than the 1961 total of \$355,820.00 and 353 percent above the \$163,130.00 loaned in 1960.

Of the \$428,440.00 loaned for farm operating expenses over one-half was spent for feed, seed, fertilizer, insecticide, fuel, repair and labor, with 1-4 being used to purchase 533 beef cattle and 137 dairy cows, and the rest being spent for farm equipment, barns, fencing and pasture improvements.

Real estate loans were also at an all time high with a total of \$147,790.00 being loaned to thirteen families for purchase or enlargement of family farms, construction of farms or in rural communities, and for soil and water conservation practices.

Approximately 106 local families were using Farmers Home Administration credit for these and other purposes at the end of the fiscal year, 117 percent more than the year before.

Collections of principal and interest totaled \$271,998.00 in 1962 compared with \$231,624.00 in 1961 and \$190,256.00 in 1960. Approximately fifteen percent of the borrowers are paid ahead of schedule on loans which still have several years to run.

Farm Operating loans outstanding on June 30 in the two county area amounted to \$657,098.00 compared with \$416,654.00 a year earlier.

Three recent improvements more adequately equipped the Farmers Home Administration to meet farm credit needs in 1962 according to Ivey. A positive, vigorous policy toward the promotion and preservation of the family farm; board expansion of the agency's program by the Agricultural and Housing Acts of 1961; and an increase in the supply of appropriated and insured funds.

"Farmers are requiring larger amounts of credit each year," Ivey said. "For example, ten years ago FHA operating loans made in this area averaged less than \$1,000.00 while this past year the same type of loan averaged \$5,885.00."

"The upward trend in farmers' credit needs stems from the continuing rise in farm costs and the pressing need to make adjustments and improvements in farming methods to stay in business."

"I believe it is especially worthwhile to also note that our borrowers spend most of their money locally to acquire the resources they need. This spending in turn stimulates business activity in neighboring towns; helps the farm and other rural families and the communities of which they are a part make an important contribution of the strength of the national economy."

Farmers Home Administration loans are accompanied by technical farm and financial management advice to the extent necessary and are made only to applicants unable to obtain the credit they need from private and cooperative lenders.

County Supervisor Henry N. Ivey estimated that office personnel made 341 farm visits during the year, held 48 county committee meetings during which time approximately 180 applications for farmers made 1250 calls to his office to apply for loans or to discuss their farming and credit situations.

### Cotton Harvesting Nears Half - Way Mark In Area

Cotton harvesting in the Brazos and Navasota River Bottoms is approximately 35 per cent to 40 per cent completed at the present, says J. B. Russ, Officer in charge, USDA Cotton Classing Office in Austin.

Grades decreased slightly last week from the previous week with 62 per cent being classed in the White grade category, with 25 per cent middling or better, 25 per cent Strict Low Middling and 12 per cent Low Middling and below. Thirty-eight percent of the cotton was light spotted.

The staple length continues good with 45 per cent 1-16 or better; 35 per cent 1-13; 20 per cent 1 inch or shorter.

The market activity continues slow with most of the cotton being placed in CCC Loan, while some grades selling slightly above the Government support price.

Cotton receipts dropped considerably to about one - half of the previous week. Twenty - four classing tables have been in operation the last week with a few classers expected to move north to the Dallas and Abilene Classing Offices over the weekend. The total number of samples classed last week was 66,805 which brings the total to date 293,392. Classing at the close of business Friday, September 7, was current.

### Milam ASCS Report

Ballots for the referendum on advertising and sales promotion for lamb and wool have been mailed to all known producers in Milam County, according to Alva E. Sanders, office manager of the Milam County Agricultural, Stabilization and Conservation Service.

Producers who are eligible to vote are those who have owned sheep or lambs, six months of age or older, for any one period of at least 30 days since January of this year. If any such producers have not received a ballot, they are urged to contact the county ASCS office.

Ballots must be postmarked or delivered in person no later than September 21, 1962, in order to be counted, Sanders said.

### Auction Report

Cattle numbered 363, hogs 136, Culls sheep, three and goats seven at last weeks sale at Cameron Auction Barn.

Prices paid were:

STEERS	Good & Choice Fed Steers	& Yearlings

Stags							None
Feeders, 40 to 125 lbs.							14.00
Pigs							16.20

### COTTON REPORT

AUSTIN — Gins continue to operate around the clock at many points. Harvesting in this territory is progressing rapidly. Many locations are 90 percent completed. Showers are affecting picking and a decline in activity is expected. Large volume of cotton continues to go into the loan. Small amounts of Light Spotted cotton are selling at 20 to 130 points above loan values. Larger volume sales were generally going at 25 to 35 points above loan rates. Lower White grades were moving slowly at 25 to 125 points above loan prices.

Rain throughout the Area slowed picking operations. Moisture from a trace to over 6 inches fell in Texas and Oklahoma. Rain in many territories were badly needed and will be beneficial to plants still trying to fruit.

### Arthur Marak Is Outstanding Airman

Airman First Class Arthur G. Marak, formerly of 808 S. College, Cameron, was recently selected as the Outstanding Airman of his unit, 4065th Air Base Squadron, APO 228, New York, New York (SAC Overseas), for the period May 1 through July 31.

He is a 1958 graduate of Yoe High School and is married to the former Mary Jo Varner of Cameron.

Airman Marak was assigned to his present duty station from Div-er AFB, Delaware.

### It happened 100 YEARS ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862... the same year that

IN TEXAS... near Galveston, Confederate General J. B. Magruder piled cotton bales on the decks of little river boats. These famous "cotton clads," manned by the 26th Texas Cavalry, trounced the Federal war fleet then holding Texas' largest port. As the war ships hastily departed, the event was toasted in good Texas-brewed beer.

For then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

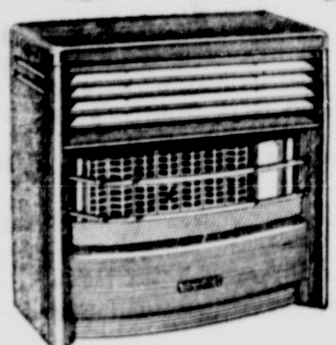

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

## Tolson To Head Salvation Army Campaign Here

J. W. Tolson has been named the Cameron Salvation Army head fund campaign set for September 24 through October 5. The kickoff is Wednesday, October 3.

County Judge Don G. Humble will head the Special Gifts Division of the campaign.

"I am proud to be associated with The Salvation Army campaign, because I see so much good the money does here in our own community," Tolson said.

He is a native Texan who has been associated with J. C. Penney stores for 15 years. He is a member of the Lions Club, is on the Board of Directors of the Chamber of Commerce; is chairman of the Trade and Development Committee, and is a member of the First Baptist Church. He and his wife Dixie have two daughters, Debbie and Robin.

The local Salvation Army committee has been active in helping with many deserving welfare cases over the year. Six local boys were sent to The Salvation Army camp for a week.

The committee is: County Judge Don G. Humble; J. W. Tolson, vice chairman; E. E. Curtis, treasurer; F. L. Gregory, Forest Sapp and Police Chief, Elvin Hoskins.

David L. Gill

## Gill Assigned To Illinois Base

LACKLAND AFB, Tex. — Airman Basic David L. Gill, son of Mr. and Mrs. Grady P. Gill of Rt. 2, Cameron is being reassigned to Chanute AFB, Ill., for technical training as a United States Air Force flight training equipment specialist.

Airman Gill, who completed the first phase of his military training here, was selected for the specialized course on the basis of his interests and aptitudes.

The airman is a 1962 graduate of Yoe High School, Cameron.

## Thomas Dusek

### Receives Degree

Thomas C. Dusek, son of Mrs. Joe Dusek of Cameron received his Bachelor of Science degree from Howard Payne College in Brownwood on August 24.

He has been teaching for the past two years at Melvin, Texas. He has also been pastor of the Pear Valley Baptist Church. Presently he and his wife and son are living in Toyah, Texas where he will assume duties as High School Principal.

His wife will also be teaching in the Toyah school. Thomas is a 1952 graduate of Yoe High School. He entered Howard Payne College in 1957 after having served three years in the U. S. Army, one year of which was spent in the Atomic Energy Commission Pacific Proving Grounds in Marshall Islands.

## Library Club Has Election In Milano School

The Milano High School Library Club has elected new officers for the coming school year.

Mrs. Jessie Bankston, the sponsor, called the meeting to order. Those elected were president, Gladys Kornegay, a senior; vice-president, Pamela Hartley, a senior; secretary and treasurer, Trudy Elsenburg, a junior; reporter, Jean Heinz, a sophomore.

## Time Shortened In Highway Plans For Texas

AUSTIN — An electronic brain that can read 8,000 cards per minute is helping the Texas Highway Department shorten the time between planning another Texas highway and seeing it open to traffic.

Known as "the 1401" this lightning-fast computer teams up with the Department's other computer equipment to solve the intricate engineering problems involved in building today's highways. These are problems in geometric bridge design, hydraulics, earth work, land measurement and traffic signalization — to list just a few.

Housed in the basement of the Highway Department offices in Austin, the 1401 consists of a card reader punch, a lister, a central processing unit and four tape units.

This complex "brain" does work in one day that used to require weeks — if done by the human brain and human hands. For example, in addition to reading as many as 8,000 taped IBM cards per minute, it can also — in that same length of time — punch 250 Machines such as this have become a necessity to cope with the increasing complexity of modern highway building.

As a matter of fact, when the 1401 moved into Highway Department operations, it replaced two obsolete computing machines. These two machines could read "only 150 lines per minute.

And Highway Department officials feel that the time will come in the name of efficiency, the 1401 will be replaced by a more efficient kingpin of data handling.

## Mayfield — Mrs. Massengale Hosts Visitors

Mr. and Mrs. Arnold Whatley of Ennis and Mrs. Minnie Belle Self of Hearne visited Mrs. A. L. Massengale Friday afternoon.

Mr. and Mrs. Hal Armistead of Dallas spent the weekend with her parents Mr. and Mrs. John Thweatt.

Mr. and Mrs. Carl Cooper and children of Temple spent the weekend with his mother Mrs. W. C. Cooper.

Mrs. Dock Thweatt and Mrs. Herbert Thweatt attended the funeral of their uncle, Walter Umbert, in Temple Thursday.

Mrs. Hazel Peel of Temple, Mrs. Viola Peel of Corpus Christi visited Mrs. A. L. Massengale Sunday.

The three of them visited a brother-in-law, Frank Peel of Bryan.

## Autumn in Manhattan

From the top of the 102-story Empire State Building you get a front row seat to watch Mother Nature and man-made Manhattan put on their fabulous show.

## Rev. Palmer To Head TB Drive

The Rev. William R. Palmer of San Gabriel was named 1962 Christmas Seal Sale Chairman by the Milam County Tuberculosis Association.

## Women's Society Holds Meeting

The Woman's Society of Christian Service of the First Methodist Church met in regular business executive session Monday with a covered dish luncheon. Twenty-eight members were present.

Reports from all officers were given.

The Christian Social Relations Study "Responsible Adults for Tomorrow's World" by James M. Ault, for the 1962-63 year will be taught in the four circles. Mrs. C. A. West will teach the McCall Circle. Mrs. Alvin Mondrik will teach the Henderson Circle. Mrs. Sam Brewer will teach the book in the Perrin and McCullin circles.

## Watson On Panel For Budget Board

AUSTIN — The Director of the Texas Legislative Budget Board, Vernon A. McGee, chairman of the Fiscal Review Program Committee for the National Legislative Conference meeting Sept. 19, at Phoenix, Ariz., announced that State Rep. Murray Watson of McLennan County will be a panel member of one of the Workshops.

Senator - Elect Watson, a member of the Texas Legislative Council, was named as a delegate to represent Texas by Speaker James A. Turman earlier this month. The Workshop will be the "Aid to Dependent Children What Effective methods are available to Legislatures for controlling program costs?" and will meet Friday, Sept. 21.

## Harber Participates In Exercise

FORT BRAGG, N. C. (AP) — Army PFC Joe C. Harber, son of Mr. and Mrs. Herbert H. Harber, Rt. 4, Cameron, recently participated with more than 70,000 Army and Air Force personnel in Exercise SWIFT STRIKE II, a two-week U. S. Strike Command maneuver in North and South Carolina.

Harber is an armorer in Company A of the 82nd Airborne Division's 501st Infantry, regularly stationed at Fort Bragg, N. C. He entered the Army in August 1961 and received basic combat training at Fort Jackson, S. C.

The 19-year-old soldier is a 1961 graduate of Yoe High School.

## Citians Neice Taking Tour In British Honduras

Miss Melba Jo Rose, of San Antonio, neice of Mrs. Bill Storey of Cameron, will spend the next two years in British Honduras. She Melba Jo will be in Corozal has just completed a two months training program in the Peace Corps at the University of Maryland.

There will be 33 Peace Corps volunteers in British Honduras and where she will travel to about 10 village schools and work as a teacher's aide. She will spend 2 weeks at a time in each school.

Melba Jo has a bachelor's degree in sociology and education and a master's degree in religious education. She formerly taught

in the San Antonio schools. The 13 hour training day consists of physical education for two hours a day to make sure they stay healthy. This also includes instruction in the sports of the countries to which the volunteers are assigned.

Also on the agenda are daily courses in world affairs, first aid and sanitation, foreign language (depending on the country assigned) and technical studies which are geared to the individuals specific Peace Corps assignments.

Every day there was a course in American studies, a review of art,

literature, music, politics, labor and business conditions. It is completely comprehensive. They have to know what they are talking about when the people in the host countries ask about the United States.

There is no indoctrination from the government during the training course. No one gives you a pat answer for anything. The volunteers are selected because they were able to answer for themselves.

They were coached on climate and appropriate clothes and since the British Honduras volunteers trained together they are friends already.

## Yager To Receive Degree At A&M

COLLEGE STATION — Texas A & M College diplomas will be mailed to 238 persons on the basis of an official listing of graduates compiled in early September. The diplomas will show the men to be graduates as of the close of the summer session on Aug. 24. The College schedules a Commencement only at the close of the Fall and Spring Semesters.

A total of 17 students have been awarded the Doctor of Philosophy degree and 98 received a master's degree for a total of 115 advanced degrees awarded effective Aug. 24.

The listing shows a total of 173 bachelor's degrees conferred.

The official listing of these most recent graduates of Texas A&M College includes Billy Joe Yager, Rt. 2, Cameron, Doctor of Philosophy.

## PEANUT QUALITY

Curing peanuts by artificial means to prevent quality damage requires careful operation procedures on the part of the dryer operator, explains W. S. Allen, extension agricultural engineer. If the peanuts are cured too rapidly, their milling quality will be reduced and if the peanuts are exposed to excessively high temperatures, off-flavors may occur, he adds.

## CLOTHES DRYING...

YOU CAN DO IT BETTER WITH ELECTRICITY

From baby-doll dresses to rough, tough work clothes, an automatic electric drier treats all things gently... dries them smoother, fresher. Washday may never be a pleasure, but an electric drier helps make this chore easier, quicker in any weather.

## sports herald

By James Hollas

"It's not as bad as it looked Friday night" was the idea that ran through the minds of most Cameron Booster Club members after watching the film Monday night.

It happened that the Yoemen were hitting hard and playing good ball but every once in a while they would make a mistake. And it is said that the team that makes the fewest mistakes win the game. The Panthers made less mistakes. Rosebud had ten regulars back from last year and only eight players on the squad were not lettermen. Cameron only had eight lettermen and only five that started at any time.

Some of the boys really played good ball. R. L. Mikulec, Bob Dymke, Mike Perrin, Bobby Jones, Eugene Schattler, Amos Doskocil and Larry Plentl all turned in good games on defense and the entire squad put out a lot of effort. They hit hard but too little experience was the big factor.

School spirit was high last week as probably the most enthusiastic pep rally in Cameron's history was held at Yoe High.

The pep rally started in the gym and ended in a snake dance around the various buildings on the campus. Led by the band the entire student body fell in behind and the result was the yelling, shouting and music heard all over

town. Exhausted cheerleaders said that the pep rally was almost too good and Francis Cox, band director for over thirty years said that he had never seen anything like it before.

This spirit was carried over into the game and the stands shook with the noise. Let's keep this up.

The crowd almost filled the stands. This was one of the best crowds at a Yoeman ball game. The season reserve section was almost filled. There are still a few seats left and tickets are available. The crowd has been estimated at 2250 fans.

Several improvements were quite noticeable at the game. Probably the most noticed was the new scoreboard. The board was donated by the Citizen National Bank and shows in addition to the score and time, the down, yards to go, quarter and who has the ball.

Finding the down marker and the chain gang was difficult as the street clothes blended into the crowd.

The Booster Club bought yellow and black striped vests and the problem has been solved.

Mr. and Mrs. A. R. Price and daughter of Irving spent the week-end visiting her mother Mrs. D. D. Harris.

### Lucky Strikes

### Stay In First

### Place In League

The Lucky Strikes continued in first place in the Rockdale Women's Summer League with a 38-18 record. In second place was the Keglers with 34-22 and the Hi-Lo's were 3rd with 31-25.

The Keglers had the high team series with a 1996 and the second best team game with a 691. The league leading Lucky Strikes had the top single team game and the second best series with a 708 game and 1966 series. The Queen Pins had a 1935 series and 668 game for third best in the team efforts.

Peggy Stauffer had a 477 series to lead individual standings. Betty Backhaus had a 463 to take second and a second best game of 174. Nell Pinkerton had the third best series and top game with a 460 - 177. Loree Irby had the third best game with 172.

### Top Honors At

### Golf Tournament

In the Labor Day Golf Tournament at the Cameron Country Club Charlie Burke and Richard Earl Burke both shot a 66 low net to take top honors in the first flight.

Mrs. Amy Ford had a 66 low net to take first place in the second flight.

Third place in the first flight was Gus Evans with a 67 and fourth was E. J. Manning with a 68.

Mrs. Melba Wells had a 67 low net for second in the second flight. Third was Jake Krall with a 68 and Dr. Halbert was fourth with a 69.

A buffet dinner was served the members and families after the tournament. This tournament, which attracted 23 entries, is the second this year in a plan for the families to use the club facilities on holidays.

## Women Golfers Meet Tuesday

The Cameron Women's Golf Association met Tuesday in regular session at the Cameron Country Club. The nominating committee presented a slate of officers who were elected by acclamation.

The new officers are: Emmalou Curtis, president; Bernice Lester, vice - president; June Goley, Rockdale treasurer; and Tinker Butts, Thorndale, secretary.

Gertrude Hart, Rockdale was awarded the Revolving Trophy as winner in the Handicap Tournament.

Charlie Burke presented a Championship Trophy in memory of his wife, Evelyn Burke, to the organization. This trophy will be inscribed each year with the winner of the Championship tournament and will remain at the club. Play for this trophy begins this month.

Presentation of prizes to winners of the Ringer Tournament completed in August was made and the winners were:

Championship Flight - Ruby Arledge and Amy Ford tie

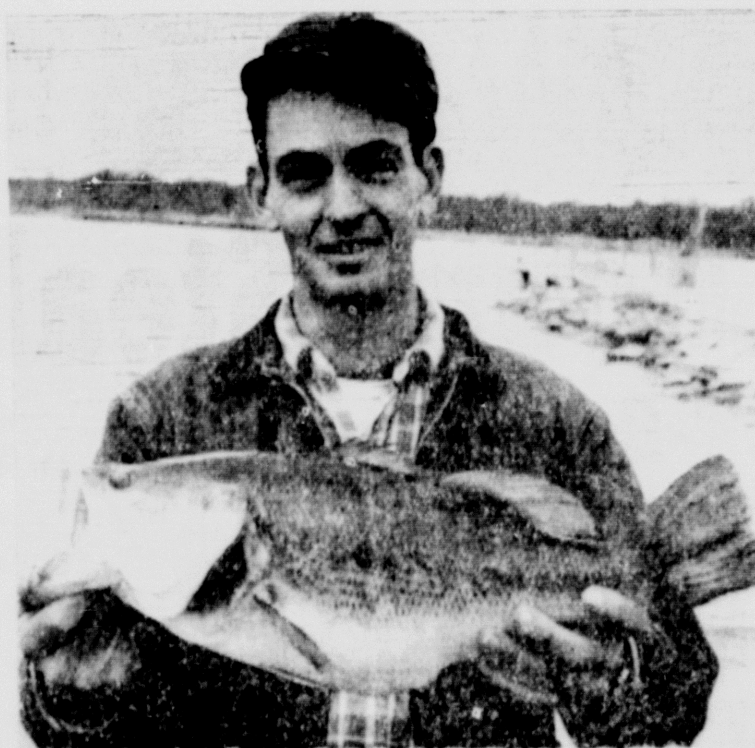

2nd Flight - Lucille Monroe, first and June Goley, second.

3rd flight - Mary Alewine and Melba Wells, a tie

Fourth Flight - Grace Davis, first and Ioraine Ponder, second.

Esther Manning, Ruby Arledge and Amy Ford tied in the putting contest and the tie will be played off.

Lynn Fuchs and Eddie Eplen are new members of the Association.

**BIG BASS** -- Earl Robinson, Jr. of Rockdale holds the fish that was worth \$5 a pound when he landed it two years ago. Lake Concessionaire Russell Wallis is ready with \$40 for the first eight pound bass brought in and hope it happens during the two week contest which starts September 15. Rockdale Rotary Club, sponsor of the fish rodeo, is offering 27 trophies and a number of prizes during the contest

## Holland Takes 6-0 Win Over Rogers

In a game plagued by fumbles and penalties, the Holland Hornets eked out a narrow 6-0 victory over the Rogers Eagles in the season opener. Both teams showed a definite lack of timing as the Hornets were penalized 130 yards while losing the ball 3 times on fumbles. The Eagles were penalized 122 yards and lost the ball seven times.

The first half was mainly a defensive battle as both offensive teams had trouble with their sputtering offenses. The Eagles had a good scoring opportunity in the first quarter as the hard charging Eagle line blocked a Hornet punt and recovered it on the Hornet nine yard line only to lose the ball on the next play on a fumble. The Hornets made their first offensive threat in the second quarter when they drove to the one yard line only to be thwarted by a tough Eagle line and lost the ball on downs.

The second half was only slightly better offensively as Holland managed to make their lone tally of the night. Midway of the third quarter Johnny Surovic climaxed a 59 yard drive by sweeping left end from four yards out. The drive

was given a good boost by 35 yards of penalties against the Eagles. A pass for the extra points was batted away by an Eagle defender.

With time running out, the Eagles were given new life when a fourth down play was turned into a first down by a roughing the kicker penalty.

The Eagles all - state candidate lineman, Chandler Cisco, shined on both offense and defense. The 6'3" - 200 lb. giant opened big holes on offense and seemed to be a fifth man in the Holland backfield as he made tackle after tackle. Other outstanding players were Maxie Morgan, Thomas Williams, Kenny Waits and Tino Gloria. Carl Foster gained 40 yards rushing to be the leading ground gainer for the Eagles.

# Yoe Hands Win To Rosebud

## Fumbles Cost Loss To Panthers

Rosebud defeated Cameron 30 - 7 in the season opener for both teams. Taking advantage of Yoemen mistakes the Panthers scored four touchdowns to defeat the Yoemen.

The Yoemen scored first after kicking to the Panthers. Forcing the Rosebud team to punt, the Yoemen returned the ball to the 30 and in two quick plays the Yoemen had a touchdown.

Rosebud centered its attack around their 185 pound fullback Lloyd Fabianke who handled the ball carrying load for the Panthers. Quarterback Gene James tried eight passes but the tough Yoemen defense only allowed him to complete one.

Cameron spread its running chores almost equally among its backfield with halfbacks Amos Doskocil and Craig Wallace picking up most of the yardage. Mike Mikula, quarterback threw five passes with one completion that was good for 34 yards.

Experience was the main factor as the inexperienced Yoemen made several mistakes that the veteran Rosebud club were able to turn into scoring drives.

The Yoemen gained possession of the ball only once in Rosebud's end of the field and took it in to a score. Rosebud on the other hand got the ball five times in Cameron's end and scored three times. A blocked punt was also in Cameron's end of the field and it resulted in a touchdown.

Neither team scored when they received the ball in their end of the field.

### FIRST QUARTER

Cameron won the toss and elected to kick. Ronnie McWilliams kicked the ball to the Rosebud 15 and the receiver knee touched after he took a step. Gene James threw a pass to Drew Brieds which went incomplete. Tom Gaither picked up 4 and James went for three before Mike Koranek and Amos Doskocil hit him forcing Rosebud into a 4th down - three situation on their 23. James elected to punt and Doskocil took it on the Cameron 43 and returned it to the Rosebud thirty.

In Cameron's first play from scrimmage Doskocil scampered a round left end for 20 yards and a first down. Laurence Laffere pitched to Craig Wallace who scamper-

ed around right end and went over for the score. McWilliams' kick for the extra point was good.

Yoe's kick to the 15 was returned to the 38 by Lee Castilleja. Floyd Fabianke, Rosebud's big gun, hit for 7 and 3 and a close first down. James pitched to Gaither who was nailed on the line of scrimmage by Laffere. James had his next pass broken up by Doskocil. His pass to Fabianke was good for 6 but not for a first down. The punt went to the 51 and Wallace was trapped on the 8.

The Yoemen fumbled on the next play and Rosebud recovered and Fabianke tried the middle and was stopped cold. James went around end for one and on the next play carried around the left side to a two yard run and a TD. With 2:52 left on the clock James attempted kick was low and the Yoemen led 7-6.

On the kickoff Doskocil took the ball on the 20 and returned it to the 40. Mike Mikula hit for 4 around right end, Mayer hit the middle for two and Doskocil was hit for a six yard loss. Lester punted and Fabianke took a hand-off on the punt return but made no gain as Yoemen poured in on him. The quarter ended.

### SECOND QUARTER

Gaiter hit for one, a roll out pitch to Fabianke netted four and James pass was knocked down at the line by Koranek, forcing James to punt. Wallace took the punt but could gain no ground. Wallace took the ball on the next play in an attempt to sweep end but Rosebud's Harold Swanzy shot the gap and threw him for a loss of five. Mikula's pass to Wallace went incomplete. The Yoemen fumbled on the next play but it was cancelled as the Panthers were off sides. Laffere hit off right end for four but the Yoemen had to punt.

Rosebud took the ball on their 36 and Willie Cortez hit for 2. Fabianke hit for one and James' pass was incomplete. The punt went to the 13 and Wallace, while trying to get his blockers formed was hit on the 5. Mikula was stopped for no gain. A live yard penalty against Rosebud for offside moved the ball to the ten. Mayer hit for one and Laffere picked up two. Lester punted to the 39 and was stopped cold.

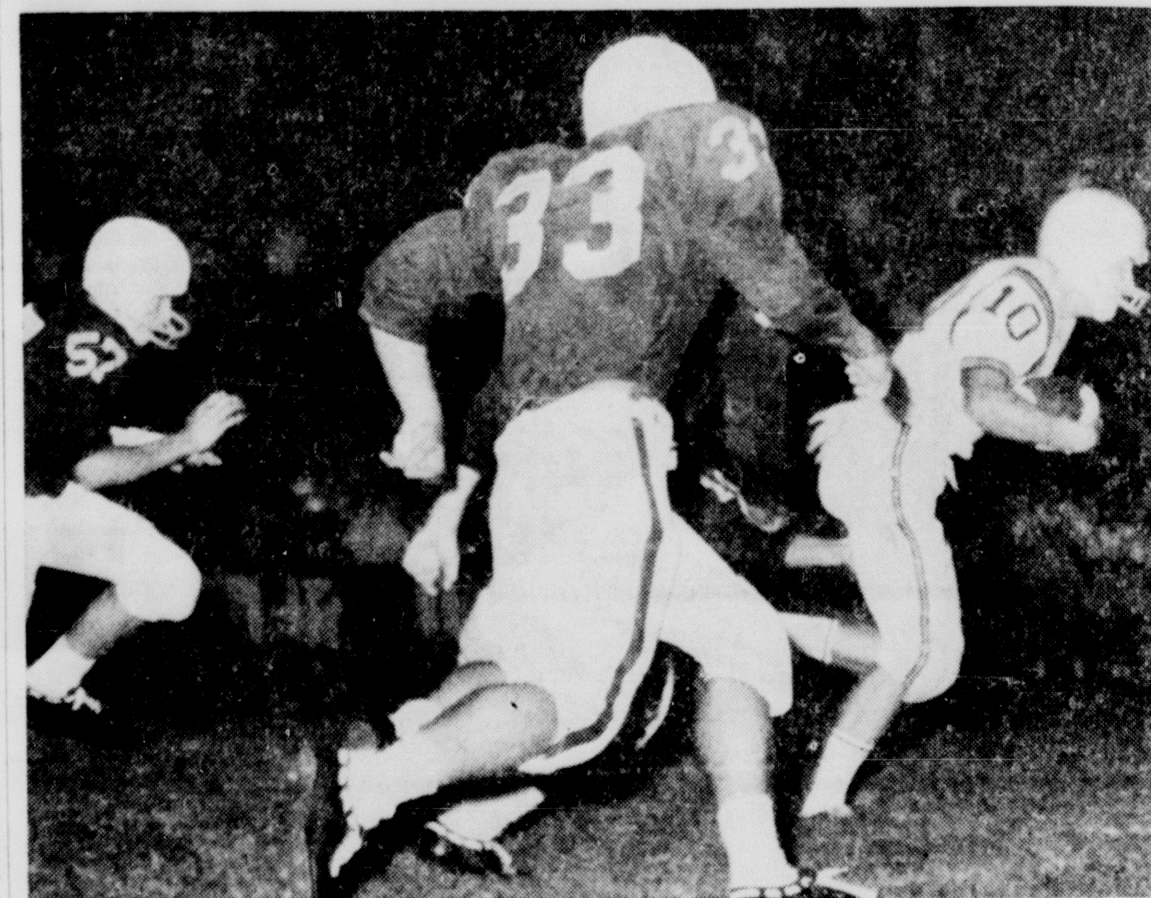

Fabianke hit the line and went for 15 and then picked up 3. James was thrown for a yard loss. James then completed his only pass from scrimmage to Fabianke for eight. On first down Fabianke picked up four before Mike Perrin and Laffere brought him down. Fabianke lost one and James' pass to Swanzy went incomplete. On fourth James was trapped for a loss of six.

Cameron took the ball on the 14 and Mikula was tossed for a five yard loss. Too long in the huddle cost Cameron five yards. Laffere hit the center for one as the clock ran out.

### THIRD QUARTER

McWilliams kicked off the 10 from which Lee Castilleja carried it back to the 37. Swanzy hit for two, Fabianke for 4 and then one. James punted to Laffere on the Cameron 27 as he called for a fair catch.

Mayer picked up three. Wallace picked up ten and a first on one of the best looking drives of the night as he was hit three times and kept moving on. A pitch out resulted in a fumble and Rosebud took over on the Cameron 32. Swanzy was stopped cold, Fabianke went off tackle for 3 and then in a fullback draw he scampered 22 yds. before he was stopped. On the next play quarterback James took off around left end and went the seven yards to the end zone for the score. He then passed to Cas-

**JANES MOVES OUT** -- Amos Doskocil (33) and Mike Perrin (57) go after Gene James after he broke thru the Cameron line on a nice gain. James' running and ball handling was a big factor as the Panthers defeated the Yoemen

30-7. James, along with fullback Lloyd Fabianke carried the ball for the Panthers most of the night. Dosocil and Perrin both played fine defensive games for the Yoemen.

-- Rosebud News Photo

tilleja for the two points and Rosebud led 14 - 7 with 5:34 left in the third quarter.

On the kickoff Perrin fell on the ball on the 33. Then on the first play Cameron fumbled and Rosebud took over. Fabianke picked up two, the Yoemen hearts dropped as James faded back to pass, had no receiver open, was trapped and somehow managed to get through the Yoe defenders and go for the touchdown. Amid all the confusion someone had clipped a Yoemen and it was called back and 15 yards were stepped off against Rosebud as the Yoemen felt relieved.

Fabianke hit for one and then for 13 yards. James was trapped for no gain and the Yoemen took over. Joe Mayer went for four, Wallace was stopped with no gain and a pitchout from Mikula to Plentl was fumbled and Plentl fell on the ball making it fourth down. Laffere dropped back to punt.

A group of Panthers rushed in an got a hand on it to partially block the punt. Center Kenney Davenport picked up the ball and outraced the Yoemen thirty yards to the goal line for another touchdown as the quarter ended. James passed to Biedrs for the two points and Rosebud led 22-7.

### FOURTH QUARTER

Wallace took the kick off on the ten and returned it to the 30 before Biedrs hit him. Doskocil picked up one, Mikula's pass to Doskocil went incomplete and the next pass was also broken up. Lester punted and the ball was killed on the Rosebud 48.

Swanzy hit for 8, Fabianke for 2 and James for two more and a first. William Foshea carried for 3 and then Swanzy tried to go around end as Wallace came up to spill him for a three yard loss. Fabianke went around left end for 19 as 203 pounds tackle James Lucas threw a beautiful downfield block hitting 2 Yoemen and delaying two other would be tacklers.

R. L. Mikulec hit Fabianke as he picked up one. James passed and it fell incomplete and Fabianke picked up one. James tried for the TD with a pass to Swanzy in the

end zone as Laffere stepped in to knock it away and save a possible touchdown.

Mikula faded back to pass and was trapped for a five yard loss and Mayer lost two. The Yoemen punted and it was returned to the 28.

James picked up 16 around left end and then Swanzy went off left tackle for 12 yards and a touchdown. James' pass to Castilleja was good for two points as Rosebud led 30 - 7 with 2:28 left in the game.

Doskocil returned the kickoff to the 31. A pass to Lester went incomplete. Then on the same pattern Mikula hit Lester with another pass and Lester pitched the ball to Doskocil who had a footrace for 34 yards before Rosebud angled in and caught him. Cameron fumbled on the next play and Rosebud took over.

They ran two plays and picked up three yards as the ball game ended.

## 130 Attend PTA

## Open House Thurs.

The Cameron PTA met Thursday night at the Yoe High Gym with 130 persons attending. The Yoe High Band, under the direction of Francis Cox played several selections.

The Welcoming address given by Eddie Meyer was followed by the introduction of the PTA officers, Board of Education, school administration and faculty.

The PTA urges everyone, as parents, teachers and citizens to meet with the group and help fulfill the needs of our youth today for a better community.

Mrs. Kenneth C. Janicek

## Kathryn Svetlik Weds Kenneth Janicek Sat.

The sanctuary of the Buckholts Brethren Church was the setting for the double-ring candlelight wedding ceremony 7:00 p. m., Saturday when Miss Kathryn Svetlik of Buckholts became the bride of Kenneth Clarence Janicek of Buckholts.

The bride is the daughter of Mr. and Mrs. Anton Svetlik and the

bridegroom is the son of Mrs. A. H. Forbes of Temple and Frank Janicek of Buckholts.

Traditional nuptial music was provided by Mr. Max McClaren of Cameron, organist and Mrs. John Baletka of Temple, soloist. "Because," "Wherever Thou Goest," and "The Lord's Prayer" were sung.

The Rev. John Baletka read the wedding vows that were exchanged before an altar illuminated by an arch candelabrum holding Cathedral tapers, flanked by baskets of white gladioli and candelabra.

The bride, given in marriage by her father, wore a gown of French handclipped Chantilly lace over white satin. The gown was designed with a sabrina neckline of scalloped lace sprinkled with seed pearls and featured fitted long sleeves which tapered to petal points over her hands. Small covered buttons adorned the back of the bodice. The bouffant lace skirt was enhanced with the ruffles that train.

Her elbow-length bridal veil of silk illusion fell from a coronet of lace and seed pearls. Her only jewelry was a pearl drop, a gift from the bridegroom.

She carried a cascade bouquet of white feathered carnations entwined with white net and centered with a white fuchsia threaded Cat-tleya orchid corsage. The bride carried out the traditional something old, new, borrowed, blue and a six-pence in her shoe.

Miss Ruth Whittington of Bryan was maid of honor. Bridesmaids were Miss Mary Frances Ruzicka of Buckholts and Miss Jeanette Janicek of Temple.

The attendants wore street-length dresses of cotton blue peau de sole with rounded necks and bell shaped skirts. Their matching blue hats were large flowers of peau de sole with circular veils. Blue satin pumps and white wrist-length gloves completed their ensembles. They carried cascade bouquets of blue carnations.

The flower girl, Miss Debbie Beyers, daughter of Mr. and Mrs. Eugene Beyers of Buckholts, wore a frock of blue peau de sole with a round neckline, short sleeves, and a bell shaped skirt. She wore matching shoes, flower headband, white gloves and carried an oval shaped basket of Chantilly lace and tulle ruffles.

Glen Hutka of Rogers served the groom as best man. Groomsmen were Dwight Fuchs of Buckholts and Douglas Kleypas of Buckholts.

Master Gary Wayne Adams, son of Mr. and Mrs. Urfa Adams of Austin, served as ring bearer. He carried a white satin, lace ruffled pillow with white satin streamers. Ushers were Milton Wright Jr. of Dallas, Anton Hutka Jr. of Rogers and Iven Vogelsang of Cameron.

Candlelighters were Ernest Alfred Fuchs and Gary Wayne Fuchs of Rogers, cousin of the bride.

The bride's mother chose a sheath dress of dusty rose lace over taffeta with machine gloves, pumps and hat. The bridegroom's mother was attired in a dress of blue acetate, matching hat and black accessories.

Following the wedding a reception was held on the lawn at the Church.

Mrs. R. P. Johnson of Temple registered the guests in the bride's book.

The bride's table, laid with a white cloth over cottillion blue taffeta, was centered with the bride's three tiered colonnaded cake, topped with a bride and groom and decorated with white and blue sugar flowers was served by Mrs. Milton Wright, Jr. of Dallas and assisted by Mrs. Jimmy Bartlett of Huntsville. At the opposite end of the table, the fruit punch was served by Miss Rose Marie Matyasik of Austin, assisted by Miss Elwanda Holland of Buckholts.

Other members of the house party included Mrs. Bryon Wise of Cameron, Mrs. Windell Kelley of

Odessa, Mrs. Ernest Fuchs III of Rogers, Mrs. L. A. Svetlik of Rogers, Mrs. Johnny Balusek of Buckholts, Mrs. Henry Stalmach of Rogers, Mrs. Fred Gresak of Buckholts, Miss Debra Ruzicka of Buckholts, Miss Rebecca Shenkir of Buckholts and Miss Lisa Johnson of Temple.

For a short honeymoon the bride chose a navy silk shantung suit. Her accessories were of navy and white. To complete her ensemble she wore the orchid from her bridal bouquet.

Upon their return, the couple will live at Buckholts.

The bride is a 1959 honor graduate of Buckholts High School. She attended Temple Junior College where she was reporter of the freshman class. She has received her B. S. Degree in Home Economics from Sam Houston State Teachers College and is employed as the Homemaking Teacher in the Buckholts Rural High School. The bridegroom is a 1959 graduate of Buckholts High School and just completed a three year tour with the U. S. Navy. He is now enrolled as a freshman at Temple Junior College.

The bridegroom's father, Frank Janicek was host for the rehearsal dinner for the bridal party Friday night at Buckholts.

## Civic Garden Club Schedules Meeting

Civic Garden Club will hold its first meeting of the new year Thursday at 9 a. m. in the Recreation Room of the First Christian Church.

Mrs. Joe J. Heitman, club president, will be honored at a Coffee preceding the meeting. New club members will be welcomed. Mrs. Leo L. Fuchs, governor of District V, Texas Garden Club, Inc. and a member of the club will present an informative type program on "What Every Garden Clubber Should Know."

Mrs. Frank Schiller, yearbook chairman, will present the books and give a resume of activities planned for the club for the ensuing year.

Each club members is requested to bring one horticultural specimen, in a bottle, which is to be judged on its own merits by a special committee.

Hostesses for this meeting will be Mrs. Charles Hensley and Mrs. G. A. McDermott.

Mr. and Mrs. Roy Blackmon and children of Meridian, Miss. were here last Sunday and spent the day with Mrs. W. M. Fanning.

Mrs. W. M. Fanning and daughter Mary Jewell visited Rev. and Mrs. L. W. Raley and family in Nicoma, Okla.

## Franklin Moore Takes Bride In Indiana Rites

Miss Margaret Ellen Jewell of Indiana became the bride of Franklin David Moore of Cameron at 2 p. m. Sunday, August 26 at the Wingate Methodist Church with Rev. John W. Landon performing the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Lester F. Jewell of Wingate, and the groom's parents are Mr. and Mrs. J. D. Moore of Cameron.

The organist, Mrs. Wreatha Oxley, played bridal selections before the ceremony and the traditional "Bridal Chourass" and "Wedding March."

Given in marriage by her father, the bride chose a street-length dress of white lace with three-quarter length sleeves, and white satin trim. She carried a bouquet of white sweetheart roses with white streamers.

Mary Jane Jewell, sister of the bride, was maid of honor. She wore a street-length aqua blue dress with matching head ribbon and carried a bouquet of pink and white roses. Russell Foley of Lafayette served as best man.

The reception was held in the church parlor. The serving table was covered with a white cloth and held the four-tired wedding cake. Mrs. Robert Stants served the cake and Barbara Cartassi presided at the punch bowl. They were assisted by a committee from the Women's Society of the church.

Mrs. Moore, who attended Purdue University, is currently employed on the library staff. Mr. Moore obtained his B. S. degree in electrical engineering from Texas A & M College and is now a candidate for the master's degree at Purdue.

The couple is making their home at 314 West Lutz St., West Lafayette, Indiana.

## Mrs. Pruitt Hosts

### Milam HD Club

Mrs. H. H. Pruitt was hostess to the Cameron Home Demonstration Club Tuesday at 2 p. m.

After a brief business meeting Mrs. Willie Falkner gave a demonstration on the making of cup and saucer planters.

The hostess served salad plate and lemonade to 11 members and two guests. The next meeting will be with Mrs. Anton Macek.

Mr. R. W. Handy

## A Word About The Library...

Cameron citizens should continue to assure City Councilmen that the library deserves minimum city support prior to the new fiscal year.

Additional reminders would add to the assurances given last week when some 20 of the Library board and interested parents met with the Council about the request.

Mayor Ducum and Councilmen favor the Library, of course, but face the problem of finding the funds behind prior fiscal commitments.

We believe that sustained interest in helping the Library get some minimum support from the City will also arouse interest in additional books and memorial contributions.

Hundreds of books are exchanged

each month particularly by youngsters. Without the Library, they have no other source for outside material to supplement their studies, other than home references and magazines, which are scarce in many homes.

Education requirements are much broader than many of us think possible. And to give our youngsters the background they need, it takes all the interest in studies and reading possible, for trade skills as well as liberal education.

A healthy library contributes to this background both in and out of school. It is meaningful for youngsters to have a source of knowledge for their leisure time.

## SOS Day Successful...

Turnout for the Milam County SOS Drive exceeded 14,000 people or about the Central Texas average of 70 per cent of the population.

Workers were praised for their efforts in guiding the thousands through the centers in good order.

Cameron drew nearly 6,700 people in three centers while South Milam drew about 6,700 people in Rockdale, Thorndale and other centers.

It was a successful day for Milam

County and certainly a successful day in the fight against polio.

Makeups for the first oral vaccine will start Wednesday and continue through Friday morning at the Milam Health Unit, Cameron.

And the Type 2 Sabin vaccine will be administered on the large scale again in October.

We join in congratulating the many thousands of people who made this success possible.

## Rate Of Farm Pond High In Past Ten Years

During the past ten years, over a thousand farm ponds have been built on farms and ranches in Milam County. These ponds are designed to provide a year-round stock water supply and are located and managed so as to provide better conservation on the pasture and range land that they support. They also serve other uses such as recreation and fish production.

Most of these ponds were built on a cost share plan whereby the farmer pays half and the ASC pays half. Nearly all were planned to fit into the overall conservation plan on each farm and as

blueprinted on their cooperative agreement with their local Soil Conservation District. Local SCS technicians have provided technical assistance on pond construction and management to secure greater conservation and recreation benefits.

One rancher and Soil Conservation District cooperated made the following statement: "A farm pond can be a good conservation practice or a hindrance depending on its location, size and the way it is used."

A good pond is one that is located on a site that will be kept

full most of the time with a minimum of water going through the spillway. It should collect little silt and its size should be such that it will provide good year long water even through the drought periods. Management is very important to get maximum benefits from a pond. The main purpose of good management is to provide a way to get proper use of the vegetation over the entire farm or ranch. When this is done, we have cover that will protect the land from erosion, reduce run-off, and store more water in the soil for plant use.

## personal extension phones

### RELIEVE THE PRESSURE OF ONE-PHONE HOMES

They bring step-saving convenience, more personal freedom and pleasure to your telephone talk. Often let you do two things at once by taking calls in the room where you are. Economical, too. You can have three extension phones in your home—in the living, sleeping and working areas—for just pennies a day!

### Who needs extension phone service most?

Families that make or receive five or more calls a day.

Families with one or more members active in school, church, civic or club work.

Families with active, popular teenagers or young adults.

If any of these conditions fit your family, the chances are you need extension phone service.

To order your personal extension phones—Princess, wall or table models, in a wide range of colors—call the telephone business office, or ask any telephone service man.

## Sales Tax Marks 1st Anniversary

By Vern Saaford

AUSTIN — Texas' new sales tax was one year old on September 1. First year's income averaged some \$2,870,000 a week, or a total for the first 12 months of approximately \$149,000,000.

Robert S. Calvert, State Comptroller, says "I think the general public has accepted it quite well."

Despite years of pro and con arguments in the legislature and by political candidates, concerning the sales tax, the first year's operation was generally harmonious.

One of the exceptions is a court ruling that Calvert cannot collect the 2 per cent sales tax on total receipts from sales of less than 25 cents. This ruling is on appeal.

Another court has ruled that natural gas and electricity used in Laundry and Dry Cleaning business should not come under the sales tax. This, too, is on appeal.

Even though the collections for the first year are some \$10,000,000 to \$12,000,000 shy Calvert says that he is pleased with the success of the first year's program. "We ended with a cash balance of \$21,851,594.00 in the general fund, anyway," he pointed out, "but we were back in the red within a few days."

Reason was that the very next day \$40,000,000 went into the Teachers' retirement fund -- and the state's main bank account went into the red again. This time to the tune of \$19,459,359.00.

He indicated that audits of the various businesses responsible for collection of the tax would be in full swing before long. Then auditors would help clarify a lot of misconceptions.

TEXTBOOK CONTROVERSY

## E I & E

By Miss V. R. Pittman  
Co. Home Dem. Agent  
John E. Snell  
Co. Agri. Agent

"SEPTEMBER" IS BETTER BREAKFAST MONTH

With the beginning of school every household in Milam County will be effected by school age children and employers of public schools. The busy days will call for more vigor and vitality.

It is very essential that everybody eat a good breakfast to prevent that morning droop.

Everybody wants to look good, feel good and live a long time. How can this be done? What we eat every day of our lives helps to do this, that is, if we eat the food our bodies need for energy, building and repairing body tissues and keeping our bodies ready to "go and do". We can achieve this goal.

Start your day with a good breakfast. A basic breakfast consisting of a fruit or fruit juice, cereal with milk, bread and butter, egg dish and beverage.

Meat is not essential for breakfast since it will be served at another meal during the day. Make it a habit to play your meals according to the "Food for Fitness" guide in order to be healthy and happy.

### BUILDING PASTURES

In today's farming operation pastures have become a very important cash crop for many individuals. Good pastures means good heavy calves at the time of weaning and market.

If you live in an area that normally gets 30 inches of rainfall, you will be interested in these suggestions on building pastures.

The first step in building your pasture is a soil test to determine fertilizer needs and rates of samples should be taken and analyzed and the recommendations should be followed.

## LITTLE RIVER PHILOSOPHER

Philosopher Tells How To Read A

Newspaper To Get The Straight News From Russia

Dear editor:

A friend of mine came by this place yesterday and said: "Well, have you heard the good news? Russia has had five rocket failures recently."

According to him -- I didn't see the account myself -- Russia has tried five times to send a rocket to Venus and Mars and has failed.

"I'm sure glad to know this," he said, "I was beginning to be-

lieve they've never failed there."

What this proves is that a lot of people don't know how to read the newspapers. They read only what's printed instead of going between the lines. This way they miss about half the news.

For example, nobody has ever read that one of Mr. Khrushchev's automobiles had a flat tire, but regardless of how many times a Russian astronaut orbits the earth you can't make me believe Russia tires don't go flat.

I have known for years that any time a man gets up every morning to drive a tractor, sooner or later he's going to get up one morning and find one of the tires flat. There is no system of propaganda and one-sided reporting that will keep a tire from going flat, and by using this same understanding I've known for years that some of Russia's rockets have fizzled.

Moreover, you never hear about any Russian planes cracking up, but I'm as sure as I am that my tractor battery is going dead eventually that Russian planes have trouble too.

What was the traffic accident toll last weekend in Russia. According to what you read from that country, they apparently don't have wrecks over there, but if Russia had only two cars, sooner or later they'd run together and got a lot more than that.

I'm not discounting Russia's ability, but engines miss and cars run out of gas and generators burn out

and mufflers fall off and people get mad at each other and women wear out over there the same as they do any place else. I don't have to read it in a paper but I can sit right here on this Johnson grass farm and tell you for a fact at least 1,000 Russian farmers couldn't get their tractors started this morning. Why wouldn't a few rockets sputter too?

Yours faithfully,  
J. A.

### CARCASS TEST

Texas swine produces are reminded by T. D. Tanksley, extension animal husbandman, that it is time to get in entries for the annual carcass test of self-fed hogs to be conducted at Texas A & M College. The test offers producers, he says, an excellent opportunity to do some checking up in the progress of their breeding program aimed at producing more desirable meat type hogs.

November	2	Navasota *	There
	9	Caldwell *	Here
	16	Rockdale *	There

\* Indicates District 19 AA Games  
Game Time: 8 p. m. Non - District -- 7:30 p. m. District

Friday's Game with Marlin resumes a line of football contests between two teams long known for their football prowess. Marlin lost its first contest 14-8 to Gatesville. Cameron also lost their first game with Rosebud.  
Marlin as a team will outweigh the Yoemen 17 pounds. Both teams will be looking for their first win and the weight will not be an important factor.  
There was a very good crowd at the Rosebud - Cameron game. Let's stay behind the Yoemen and support them every game.

## Sharp PTA Has First Meeting

The Sharp PTA held its first meeting Sept. 5. Officers elected for the coming year were Mrs. Bill McMurtry, re - elected president; Mrs. Wayne Cryer, vice president; Mrs. James McQuary, treasurer; Mrs. Dalton Stephens, secretary; Mrs. Leroy Guillote, reporter; Mrs. Q. Gershback, head of the social committee; Mrs. Ray Green and Mrs. Dalton Stephens, publicity; and Mrs. Katherine Spruill as parliamentarian.  
There were twenty - one paid memberships at the first meeting and in the next two weeks there will be a big membership drive to get every parent to join and take part in the PTA meetings.  
It was agreed that the meetings would be held the first Wednesday at 2 p. m. in the Sharp Library. A program will be presented by the children at each meeting.  
Visitors and friends are invited to attend the programs.

## Taylor Serving Missile Cruiser

USS BOSTON — AT SEA (PH-TNC) — Bob E. Taylor, machinist's mate first class, USN, son of R. C. Taylor of 600 North Sixth St., Cameron is serving aboard the guided missile cruiser USS Boston, a familiar figure in the Sixth Fleet operating in the Mediterranean area.  
The ship is acting as the "delivery agent" for the Boston, Mass., area supporters to the American "People - to - People" program in transporting a cargo valued over \$100,000. It consists of foodstuffs, hospital supplies, clothing, toys and books, which will be distributed to various needy hospitals and orphanages in the Mediterranean area.

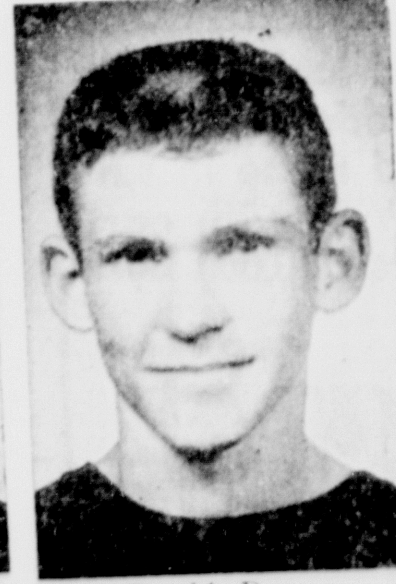

**FOUR HD AGENTS**  
Four Texas county home demonstration agents have been named to receive the National Home Demonstration Agents Association's Distinguished Service Award for 1962. They are Sue Hawthorn, Nolan county; Mrs. Robin Taylor, Hale county; Mrs. Josephine Childress, Young county and Mrs. Billie Nichols, assistant CHDA in Nueces county. Presentation will be made in Chicago during the national meeting, October 23 - 26.

#### NOTICE OF SALE OF REAL ESTATE

Please take notice that on September 14, 1962 at 10:00 a. m. at the County Courthouse of Milam County, located in the Town of Cameron, Texas, in Milam County, I, the undersigned, having been appointed to sell and dispose of the hereinafter described real estate belonging to Milam County, Texas, at public auction, by virtue of an Order of the Commissioners' Court of Milam County, Texas, dated August 16, 1962 and now appearing of record in the Minutes of said Court in Volume 12, page 44, thereof, shall sell at public auction to the highest bidder therefore for cash the following described property:

All that certain track of land out of the J. J. Agosto Survey in Milam County, Texas, and more particularly described as follows:

Beginning at the NW corner of a 5 acre tract of land deeded by R. J. J. Agosto to T. A. Swamy March 3, 1896, recorded in Book 44, page 96 for NW corner of this tract:

Thence S. 20 E. 325 feet with the west line of said 5 acre tract and the East line of a tract owned by Ray J. J. Agosto to a stake;

Thence S. 70 E. 263 feet to a stake;

Thence N. 20 W. 154 feet;

Thence N. 70 W. 125 feet to a stake in East line of said 5 acre tract;

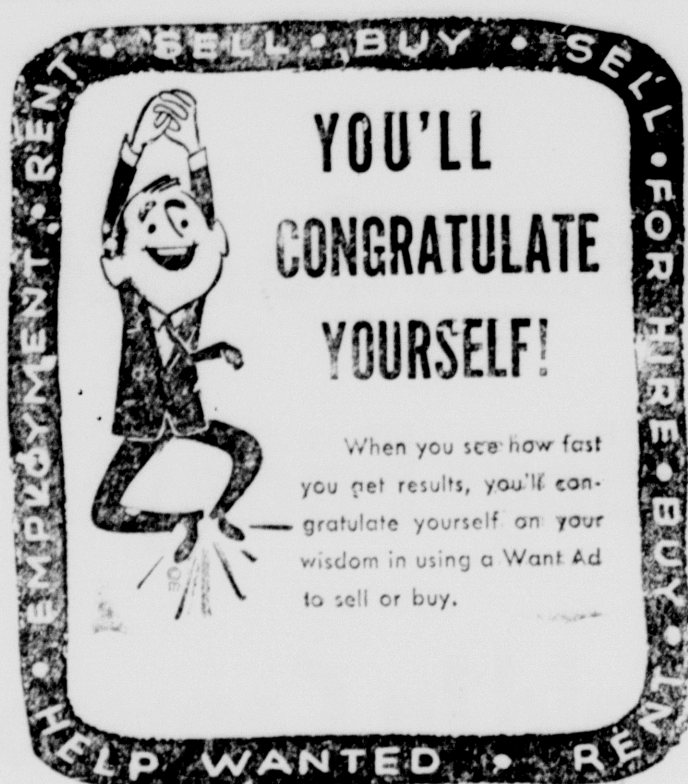

Thence N. 20 W. 171 feet to NE corner of said 5 acre tract;

Thence N. 70 W. 393 feet with north line of said 5 acre tract to place of beginning, containing 2.21 acres.

Being the same land described in a deed from T. A. Swamy and wife M. J. Swamy to Road District No. 11 of Milam County, Texas, dated September 14, 1917, and recorded in Vol. 142, page 420 of the Deed Records of Milam County, Texas.

Dated at Cameron, Texas, this 22 day of August 1962.

II. Cards Of Thanks  
We wish to thank everyone who  
brought food and sent cards and  
flowers at the death of our loved  
one, John Small. Especially we  
wish to thank the Battletown Church  
for furnishing dinner at Mrs.  
Oscar Story's home and the doc-  
tors and staff of the Veterans  
Hospital at Marlin.

The family of John Small

WATER EXTRACT  
The substance that makes cot-  
ton flower buds (squares) appetiz-  
ing to boll weevils has been found  
for the first time in a water ex-  
tract of the cotton plant by two  
U. S. Department of Agriculture  
entomologists. The discovery may  
open new approaches to control  
measures for the number one cot-  
ton insect pest.

Mr. and Mrs. James Havlik and  
daughter, Ann of Breckenridge are  
visiting in the home of Mr. and  
Mrs. James Evaral.

### Helbig To Speak

#### At Waco Meeting

Baron G. Helbig nationally known  
tax consultant and security anal-  
yst, will be guest speaker at an  
open forum on "How to Use Your  
Investments to Save Taxes," at  
the Lone Star Gas Company as-  
sembly room, 9th and Washington,  
Waco at 7:30 p. m. Monday, Sep-  
tember 17, according to T. C. Free-  
man, division manager for King  
Merritt & Company, international  
organization specializing in mutual  
funds and insurance.

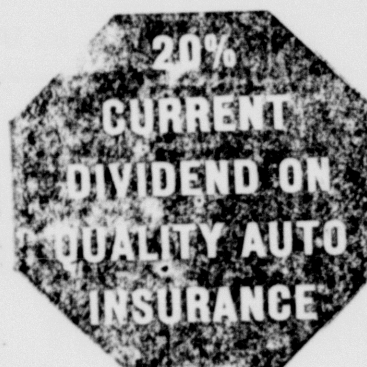

Helbig is known to thousands as  
"The man who points the way to-  
wards savings of a million dollars a  
year" in tax payments for indi-  
viduals, families and estates. He has  
a background of more than thirty  
years experience in Wall Street  
where he has handled many com-  
plicated financial problems.

A large number of people from  
Central Texas towns have already  
indicated they will attend this forum.

"Anyone interested in saving money  
on taxes and common sense  
methods of making investments are  
urged to attend this meeting,"  
Freeman says. "The wide experi-  
ence of Baron Helbig and his in-  
timate knowledge of market con-  
ditions today can benefit greatly  
from this talk."

Mr. and Mrs. Barton Brown of  
Texas City spent the weekend visit-  
ing her mother Mrs. Fredia Mey-  
ers and sister Mrs. Norton Young  
and Mrs. Herbert Butler.

MORE DAIRY PROFIT  
According to USDA figures, based  
on 600,000 records, purebred,  
registered dairy cows have more  
profit making potential than grade  
cows. The records showed that re-  
gistered cows brought in an aver-  
age of \$35 more than the grades  
over the 305 - day test period.

### LEGAL NOTICE

CITATION BY PUBLICATION  
THE STATE OF TEXAS  
TO: Margaret Burke Smith, De-  
fendant, Greeting.

YOU ARE HEREBY COMMAN-  
DED to appear before the Honorable  
District Court of Milam County  
at the Courthouse thereof, in Cam-  
eron, Texas, by filing a written  
answer at or before 10 o'clock  
A. M. of the first Monday next  
after the expiration of forty - two  
days from the date of the issuance  
of this citation, same being the 1st  
day of October, A. D. 1962, to  
Plaintiff's Petition filed in said  
court, on the 16th day of August  
A. D. 1962, in this cause, num-  
bered 15,385 on the docket of said  
court and styled Ray T. Smith,  
Plaintiff, vs. Margaret Burke Smith,  
Defendant.

A brief statement of the nature  
of this suit is as follows, to-wit:  
Divorce action on grounds of  
cruel treatment; as is more fully  
shown by Plaintiff's Petition on file  
in this suit.

If this citation is not served with-  
in ninety days after the date of its  
issuance, it shall be returned un-  
served.

The officer executing this writ  
shall promptly serve the same ac-  
cording to requirements of law, and  
the mandates hereof, and make due  
return as the law directs.

Issued and given under my hand  
and the seal of said court at Cam-  
eron, Texas, this 16th day of  
August A. D. 1962.

Attest: Grady Allen Clerk,  
District Court, Cameron  
Milam County, Texas

### BETTER SCHOOLS -- AND YOU

by HENRY TOY, Jr., President  
National Citizens Council for Better Schools

#### THE HOMETOWN GROUPS

A very snappy saying in the Twenties was "Let George do it!"  
But George went out and he boozed rum and the paragon, "Joe  
sent me!"

In the Twenties, the school problems that came up  
Everything seemed to be  
going along pretty well so  
why should anyone else  
bother?

Fortunate-  
ly, that was a long time ago.  
We've seen a whole new rebirth  
in citizen interest in this coun-  
try. We're moving into the tenth  
year of full-fledged dedication to  
the part of the public school sys-  
tem that is the school problem at  
the local level.

Who are some of these people  
across the country?

From what I've seen of them  
in their communities and  
through the letters they write,  
they are very much a cross-  
section of America. Most of them  
are parents, of course, working  
to see that their children get the  
best possible education. And  
they're both the parents, too, not  
just the mothers. A typical com-  
mittee for school improvement in  
a town of 15,000 might very well  
include a half-dozen housewives,  
a dentist, a lawyer, a clergyman,  
a grocer, a retail merchant, a  
factory worker, a business exec-  
utive, and a couple of farmers.  
If that committee follows the  
national pattern, all religious af-

### BETTER SCHOOLS -- AND YOU

BY HENRY TOY, JR., PRESIDENT  
NATIONAL CITIZENS COUNCIL FOR BETTER SCHOOLS

affiliations will be represented on  
the committee and so will the  
various economic and social  
groupings of the town.

These committees usually be-  
gin by gathering the facts about  
their local schools. I'm constantly  
astounded at the amount of  
time and effort the members are  
willing to give in order to become  
well informed about education.  
They're eager to know what  
others have done in other parts  
of the country, in order to  
make adaptations in their  
own hometown.

Working in cooperation with  
the school board, these commit-  
tees are changing the face of the  
land as far as education goes.  
Without them, there would be a  
tremendous vacuum in our  
current struggle for better  
education.

If you'd like to know more  
about starting a citizens' com-  
mittee in your community, write  
for our free booklet, "How  
Can We Organize for Better  
Schools?" Write Dept. D, Better  
Schools, 9 East 4th Street, New  
York City.

"Going  
Somewhere?"

To you who may not know: this is a horse and buggy!

Doubtless, the man with the reins selected the best in quality and style. That meant good transportation for a long time to come; and satisfaction with it.

But it wouldn't quite fill the bill today. Transportation has changed—from horses to horsepower; from steel rims to chrome trim; from weight to wings. Oats have given place to jet fuel. We're really on our way! Are we? Where are we going?

Man needs guidance today more than ever—superior guidance beyond himself. He needs fuel and energy, too, that afford more "get up and go"—in the right direction—than the finest of octane fuels. MAN NEEDS GOD!

You have heard that before, but have you heeded?

The church still stands with its open door; with its spire pointing heavenward. Its friendly invitation and marvellous message are yours for the taking. Take them and you have God. Having Him, you have everything. Not only will you be on our way; you will get there.

"Other foundation  
can no man lay than  
that is laid, which  
is Jesus Christ"  
I Corinthians 3:11.

## Burlington — San Antonio Guests Visit Relatives Here

By Mrs. George Logan  
Mr. and Mrs. Sylvester Holcek  
and family of San Antonio were  
guests of Mr. and Mrs. Lee Gern-  
gross Saturday and guests of Mr.  
and Mrs. Will Kuhn Sunday.

Mr. and Mrs. Kuhn if  
Cameron visited Mr. and Mrs. Lee  
Gerngross and family Monday.

Mr. and Mrs. Jeff Foshea and  
family of Houston accompanied by  
Tommy Null were guests of relatives  
here and at Cameron last week.

Billie Don Davenport has been a  
patient in a Rosebud hospital for  
a few days.

Mr. and Mrs. Billie Wayne Mar-  
ek of Dallas came Monday to begin  
on building a home in Burlington  
for his brother and sister-in-law,  
Mr. and Mrs. Walter G. Marek.

Mrs. Aleta Marek entertained  
the 42 Club at her home here  
Sept. 4. After games were played  
refreshments were served.

The Priests home is being built  
in Burlington.

Mr. and Mrs. Robert Lee Schu-  
etze and family of Galveston were  
guests of relatives in the home of  
Mr. and Mrs. M. D. Swanzey and  
other relatives and visited Robert  
Lee's mother Mrs. Ellie Schuetze  
and other relatives in Temple.

Mr. and Mrs. Alvis Fuchs of Mil-  
es, visited Mr. and Mrs. M. D.  
Swanzey and attended the Hoelscher  
Buckemper family reunion at West-  
phalia.

All of the children and  
grandchildren of Mr. and Mrs.  
Dock Swanzey enjoyed a supper and  
ice cream at their home Saturday  
night.

Some relatives of Mr. and Mrs.  
Henry Hiepert of Burlington came  
for the picnic Sunday and enjoyed  
a visit to their parents.

Mrs. Sallie Davis has visited her  
son Chalmers Davis who has been  
ill at his home at Baileyville. Spud  
Davis of Baytown came for a visit  
on Labor Day holidays with his  
mother and brother Chalmers and  
Mrs. Sallie Davis.

Mr. and Mrs. Grady Wright  
and other relatives and friends at  
tended the funeral of Mrs. Wright's  
sister Mrs. Paul Kalfous at Tem-  
ple Thursday.

Mrs. H. Lorenz of Temple, Mr.  
and Mrs. James Griffin of Waco,  
Mr. and Mrs. Johnny Fox Sr. and  
Johnny Fox Jr. of Temple visited  
here last week.

Rev. R. Fletcher filled his reg-  
ular appointment at the Church  
Sunday. He was a dinner guest  
of Mr. and Mrs. Wesley Davenport  
and Ann.

Mrs. Casiola Rogers and Mrs.  
Mamie Armstrong of Rosebud were  
visitors at church here.

Relatives have received word  
that Mrs. J. J. Foshea of Cameron  
was very ill Sunday.

Mr. and Mrs. Roy Lee Franklin  
and family of Bryan visited relat-  
ives in Cameron Sunday.

## Jones Prairie — Social Honors Harris Family

The Little River Baptist Church  
entertained their new pastor and  
wife, Rev. and Mrs. Weldon Harris  
with a social and old - fashioned  
pounding at the Sunday School  
Annex, Sunday night after regular  
services.

Mrs. Pearl McLerran of Cam-  
eron visited her sister and family  
Mr. and Mrs. J. D. Black Wed.

Mr. and Mrs. W. B. Burnett and  
Mr. and Mrs. Leland Burnett and  
children of Ben Arnold were guests  
of Mr. and Mrs. Charles Burnett  
in Bryan Friday night.

Mrs. Verne Pentecost accompa-  
nied her daughter, Mrs. John Flor-  
ida to Waco Monday.

Mrs. Perry Tindall of Calvert  
visited her brother and sister-in-  
law Friday afternoon, Mr. and  
Mrs. Tom Stidham.

Mr. and Mrs. James R. Fontaine  
were overnight guests of his  
parents, Mr. and Mrs. R. K. Fontaine  
and Karen Wednesday.

Mr. and Mrs. Ruby White of An-  
dersons, were Labor Day visitors of  
his mother Mrs. Mattie White.

## A&M Mothers To Meet Sept. 15

The initial meeting of the Exe-  
cutive Board of the Federation of  
Texas A & M College Mothers' Clubs  
for the year 1962 - 1963  
will be held Saturday, September 15  
at 9:30 a. m. in the Birch Room  
of the Memorial Student Center,  
on the campus of Texas A & M  
College, College Station, Texas.

Mrs. Carroll W. Cox of Beaumont  
President of the Federation of Tex-  
as A & M College Mothers' Clubs  
will preside, and she urges all  
local club presidents; members of  
the executive board; to attend the  
meeting. The club projects for the  
year as well as other business will  
be adopted at this time.

Mrs. Niley Smith, 1001 E. 12th St.  
Cameron, is President of the Milam  
County A & M Mothers' Club will  
attend the meeting.
